#### FINANCIAL POLICY

We are dedicated to providing you with the best possible care and service, and regard your understanding of our financial policies as an essential element of your care and treatment.

Payment is due at the time services are rendered unless other arrangements have been made. We accept cash, check, and credit cards.

As a courtesy we will file your dental insurance for you. Co-payments and deductibles must be paid on the date the service is provided. Please understand that insurance is a contract between you and your carrier, therefore, you are ultimately responsible for your bill.

In cases of divorce, the parent that brings the child/children in for the appointment is responsible for payment.

In the event your account is turned over to a third party collection agency for non-payment, there will be a collection fee added to my bill of 35%. This is pursuant to Georgia Statutory Law "O.C.G.A.-13-1-11".
